Secretary Morrison Declares Cause of Walkout Is Wage.

men and shop laborers employed by the St. Louis & San Francisco railroad here who have been on strike since Monday, tonight voted to return to work pending word from the labor council appointed by President Wilson.

WASHINGTON, April 16.—After a General Palmer's conclusion that the outlaw railway strike was traceable to activities of radicals and revolutionaries was sharply challenged tonight in a statement issued by Frank Morrison, secretary of the American Federation of Labor, an independent investigation of the strike was ordered by the labor council.

"The strike of the railway executives, the statement said, revealed just a plain, ordinary strike for more pay."

"If there were enough revolutionary power in the United States to create such an outbreak as this, Mr. Morrison said, "the condition would be serious indeed. But there is no such power. The absolute failure of the attorney general to grasp the true situation is amazing."

The department of justice had no additional announcements to make tonight to support its conclusions.

The only development of the day affecting the government's connection with the strike situation was the organization meeting of the railway labor board, which met with seven of its nine members present.

Electoral officials, who planned to take up, beginning tomorrow, the whole question of railway wages at the point where the bi-partisan discussion between men and employers dropped it some days ago, unable to reach a conclusion.

The board selected a temporary organization committee consisting of George Henry Hunt, former mayor of Cincinnati as chairman, and Wallace W. Hanger of this city, as secretary. Both are members of the public group.

SUICIDE ON WEDDING EVE

Indiana Man Found Dead in Oklahoma City Hotel—Gun is Used.

OKLAHOMA CITY, April 16.—On the eve of his marriage Charles A. Campbell, about 20 years old, was found dead in his room in a local hotel tonight with a bullet hole in his head.

Campbell, who registered at the hotel by Birdseye, Ind., was to have met his fiance, Mary C. Holmes, a teacher from Altus, Okla., tonight and the couple was to have been married Saturday.

Two notes, one to Miss Holmes and the other to Ensign E. C. Campbell, U. S. N., his brother, were found on a table in the room.

A. W. McWilliams, Justice of the peace and coroner, who investigated the death, expressed the belief it was a "clear case of suicide."

OLD DAD CANNOT UNDERSTAND WHY the TRIBUNE or DEMOCRAT DID NOT PUBLISH THIS GREAT SPEECH on the LEAGUE OF NATIONS.

OLD DAD CAN UNDERSTAND WHY the TULSA WORLD LEFT THAT PART OF HIS SPEECH OUT, for THEY WANTED to LATER on USE it as CAMPAIGN THEM and CLAIM it ALL THEIR OWN.

The PUBLIC PRESS is the GUIDE and the TEACHER of the PEOPLE and WHEN THEY WILL WILFULLY WITH MALICE or OTHERWISE CRUSH the TRUTH of SUCH A SPEECH IT IS A DAMN SHAME. REMEMBER, "TRUTH CRUSHED TO EARTH WILL RISE AGAIN."

Now THIS DOES not HARMONIZE, but OLD DAD does NOT KNOW HOW TO FIX IT.

OLD DAD HAS KEPT CLEAR of TALKING of STRIKES in DOPE, but the PRESENT SWITCHMEN and YARDMEN'S STRIKE is NEAR HIS HEART. THOSE POOR DEVILS HAVE BEEN OVERLOOKED by EVERYBODY. LET THEM SHOW THEIR POWER. OLD DAD SAYS HELL WITH HOOVER and ALL HIS CLASS. GIVE THE POOR MAN a CHANCE.
